Executive presentations Market analysis Customer relationship Team coaching

EXPERIENCE

Senior Sales Executive

2019 - present

MedAxis Solutions, Boston

- Own a portfolio of 35 key B2B accounts (hospital groups and distributors) worth \$9M in annual revenue.
- Grew the portfolio by 28% in three years; 118% of quota on average over the last four years.
- Negotiated multi-year framework contracts up to \$2.4M with procurement and C-level stakeholders.
- Manage a pipeline of 60+ opportunities in Salesforce; weekly forecasting accurate within 5%.
- Prepare quarterly market analysis of competitors and pricing used by marketing and management.
- Coach three junior sales executives on account plans and executive presentations.

Account Manager, B2B

2015 - 2019

BioLine Distribution, Providence

- Managed 50 laboratory and clinic accounts; 92% customer retention through regular business reviews.
- Led the migration of the sales team from spreadsheets to Salesforce CRM (dashboards, pipeline stages).
- Delivered product presentations and tenders to purchasing committees; won 14 public tenders.

Sales Representative

2012 - 2015

Atlantic Medical Supplies, Boston

- Prospected new B2B customers in a territory of 120 clinics; opened 40 new accounts.
- Built relationships with physicians and buyers; handled price negotiation and contract renewals.

ACHIEVEMENTS

- "Top Performer" award at MedAxis Solutions in 2021 and 2023; designed the account-planning template used by the whole sales team.
